

TXANTON

Que es Txanton

Txanton is engaged in the importation, distribution and retailing of fine wines, premium foods and exclusive accessories.

It is also the perfect point / reference of sales in the market for the finest grocery products like Olive oils, Beluga caviar, Spanish anchovies, the most prestigious chocolates in the world and many other gastronomic products.

Txanton was founded in 2014 and started operations in 2015.

The main hub is located on the second floor of Alegria Alta Building, 2294 Chino Roces Ave. Extension, Makati.

Mission

Our goal is to offer the widest and finest selection of wines, jamon and other premium products with the aim of enjoying them in the unique and conducive environment of our store.

We aim to share our expertise and passion and with our clients. Our goal is inspiring them to explore and enjoy the finest gastronomic products.

Vision

TXANTON aims to be the reference in the rapidly expanding fine wine, jamón and gastronomy retail market in the Philippines.

We envision ourselves as the jamoneria in the country paired with one of the most exclusive wine cellar-collections that continues to evolve and surprise connoisseurs and enthusiasts from all around the world.

We believe in offering a unique experience with every visit in our online shop and our physical shop, transforming every customer into a loyal patron of our brand.

Txanton is where jamon and wine take center stage. It is a bastion dedicated to the enjoyment and appreciation of only the best of each, individually or paired together.

...a perfect place for gifts...

...and celebrations in our three areas...

LA TIENDA

La Tienda (The Shop) is where you can find a huge selection of fine wines, jamones, cold cuts, olive oils, anchovies, caviar and glassware to bring home, purchase as gifts or to feast on the spot. The room can seat up to maximum of 26.

It's also a bistro area where you can enjoy some glasses of wine and a whole menu with tapas that are very well executed. Definitely the perfect venue for intimate reunions, small groups or even a single couple.

LA SALA DE CATA

La Sala de Cata (The Tasting Room) offers a relaxed and casual environment specifically made for tasting and sharing wine, jamón, and olive oils. The space is meticulously designed for fine wine and food seminars and it's also ideal for corporate and social gatherings. Seating up to 14 persons.

LA GRAN AÑADA

The cellar with over 1,500 special wines opens its doors to one of the most unique dining experiences. The wines will be pair with expert guidance and dishes prepared by our state-of-the-art full-service kitchen. Seating up to 10 persons.

JAMÓN

Jamon

Txanton, the first Jamoneria in the Philippines, opened its doors on November 2015. It brings in jamón Serrano, Ibérico and Bellota from the 4 regions allowed to produce them: Guijuelo, Extremadura, Pedroches and Jabugo.

Txanton provides a great concept of jamón experience where you can taste the different flavor profiles of the jamón depending on their breeds and origins.

Understanding jamon as Spanish Icon

Whether in Spain or abroad, there is no denying that everyone loves Spanish jamón.

Through master carvers (cortadores de jamón), Txanton educates and teaches customers the benefits of eating carved jamón Ibérico. It also offers carving services for events.

Our Accessories

Txanton is the exclusive importer and distributor of different premium wine accessories in the Philippines like Vcanner, Zalto, The Durand, and iCEMAX.

Txanton is the subdistributor of Coravin.

Zalto
GLASPERFEKTION

Zalto: a glass class of its own

Zalto glasses are best wine hand-crafted glass in the world. Made in Austria.

Zalto Glasses are reserved for events with fine wines celebrated in La Tienda, La Sala de Cata and La Gran Añada.

Zalto Club

TXANTON LOYALTY CARD

Be a member of our Zalto Club! A Txanton Loyalty Card where you can buy after purchasing four Zalto glasses to get exclusive perks! This includes discount on consumables for dine-in and a discount for take out.

The Durand is a specially engineered corkscrew for well aged fine wines.

It is a premium tool for premium wine bottles with corks that have started to crumble in time. The Durand makes sure that no small pieces fall inside the wine bottle as you are pulling out the cork.

✓CANTER®

The VCANTER® is the premium decanting machine hand made in the idyllic Swiss city of Lucerne. It is an object of highest precision and quality. Besides the glossy chrome plated version the VCANTER® can be custom ordered in any color of your choice as well as silver-plated and goldplated.

iCEMAX® is perfectly adapted to the bottle shape and keeps it fresh for a long time.

iCEMAX® owes its performance to its double insulating wall containing clay. This patented technology enables to reconstitute during 2 hours the cold stored in the freezer.

Take your wine experience to the next level with Coravin! Coravin is a device that inserts a needle into a bottle of wine, letting you draw its contents without removing the cork—or spoiling the remaining liquid.

Drink any wine, any time, without ever pulling the cork. Whether you want a sip, a glass, or more, your last glass will taste just as amazing as your very first.
