CORPORATE GIFTS

Christmas. Birthdays. Anniversaries. Those are just a few of the various events happening in a year that often warrants a 'gift giving' spree. We all want to give a unique gift that will be remembered year-round. Yet, when push comes to shove, we also have a tendency to completely blank out and forget what our recipients and beloved ones really want or what they don't have. Thus begins the yearly cycle of buying random gifts in a panic (which we know will only end up getting regifted). Surprises and gift-giving is one excellent way to express appreciation and thoughtfulness. Let's put an end to this stressful tradition this year as Txanton brings you unique ideas that will surely stand out.

Jamón is ever-present on the Spanish table no matter what the occasion is. It's a treasure in Spanish cuisine too and can be enjoyed for quite some time. Those huge ham legs, however, are difficult to cut. Here at Txanton, you can ask, to have it deboned, sliced up nice and thin, and then sealed in vacuum packs. You can also give a prestigious and unforgettable gift pack that includes the jamon Iberico de bellota and all other jamon so that they can enjoy the freshest jamón possible. We take pride in making the extra effort for everyone to enjoy the authentic flavor of Spain.

Can't think of a beautiful gift that's both informative and at the same time enjoyable to eat? We have a **Jamon Book**

and the same time enjoyable to eat? We have a **Jamon Book** that's readily available! With an elegant illustration and explanation of 6 different flavors of ham (Gran Reserva, Iberico Cebo, Bellota Guijuelo, Bellota Extradura, Bellota Pedroches, and Bellota Jabugo) and its origins, the book is surely one of a kind. It also comes with 6 packs of 80g ham vacuum pack to preserve its qualities that one will surely enjoy while learning the notions of each jamon type.

Wine is always a welcome gift or an elegant treat that can be enjoyed at home. From the connoisseur to the casual wine lover, our selection of gift box combo (can be a combination of 2-3 wine bottles or a combination of a bottle of wine and jamon packs), has something for anyone who deserves a toast. Whether you choose a lively champagne, velvety red, crisp white wine or your wine of choice, the knowledgeable sommelier at Txanton have taken great care in choosing superior wines for our wine gift boxes. Our gift sets are ideal for saying thank you, wishing a friend or loved one a happy birthday, extending your congratulations and more. Presented in a stylish Txanton branded box or in wooden wine crates that are carefully packed, we promise to send your warmest wishes in the most elegant fashion.

If you are searching for a perfect gourmet gift or for degustation, Txanton has some great options. Olive oil gifts are very popular, since they combine visual appeal with usefulness. We even offer on our menu a selection of olive oils to taste which comes with cereal and rustique breads as well as tomato and garlic slices. You have to rub the garlic and the tomato on the bread, dip it in olive oil, and eat it with a sprinkle of salt. You can also make our olive oils a shoe-in for drizzling over pastas or even on salads as dressing. Our products come packaged in elegant bottles, which also look great on your countertop as a decoration. We also have an assortment of olive oils that you can purchase from the shop, so you can choose from larger or smaller bottles, depending on the budget and what your recipient might like best.

Our Txanton Premium Caviar comes in 1.7 to 2 kilo cans. We repack it to 100 and 200 gram cans, then we store it in ideal conditions for caviar to ensure you are consuming it at its best. We enjoy the caviar on its own with a bone spoon to experience its purest form but it would be just as enjoyable when eaten with a slice of baguette, a little unsalted French butter and great company.

Zalto Denk'art wine glasses are the most elegant gift for any occasion or as a treat for yourself. From the first touch, each Zalto glass distinguishes itself from all other glasses.
